FROM

MAJOR C. T. C. PLOWDEN, I. A.,
FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

TO

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Dated Bangalore, 29th may 1920

SIR,

With reference to your letter No.Pol.1194 dated the 28th April 1920, forwarding Mr. G.M. Dominicks application for an appointment in one of the Research Laboratories in India, I am directed to inform you that his name has been registered as a candidate for entrance to the Bacteriological Department. I am, however, to say that there are many applicants for admission to this department which has a small cadre and that Mr. Dominick has little chance of early admission. The Director-General, Indian Medical Services can in fact give no assurance even of ultimate admission.

Under these circumstances I am, at the instance of the Director-General, to ask if Mr. Dominick would like his name registered as a candidate for admission to the Sanitary Department.

I have the honour to be,
Sir,
Your most obedient servant.
